FROM THE PRESIDENT

Dear Falcon Football Fans:

Each year the sports information office gives me my lead line for this letter in its advance publicity telling us what kind of a year it's to be. Last year was the Year of the Sophomore, but our athletic department is much too ingenious to follow this with the Year of the Junior. Instead, they talk of "challenge." And so they should.

Even one's first glance at the 1972 football schedule for Bowling Green will clearly show what the challenge is all about. Opening with BG's first game ever against a Big Ten opponent, we add to a difficult MAC schedule some outstanding non-conference opponents. I am aware that by the time anyone reads this open letter in our football program 40% of our football season will already be over. And you will know just how much the peculiarities of 1972 scheduling created a challenge for the Falcons.

In a sense, of course, all intercollegiate athletics in this country face a challenge. It's not just the usual competition within the University for funds and facilities; there's also a need for proof to the community that continuation of athletics is essential in spite of difficult financial days ahead. More than that, athletics is required to justify its existence in educational terms, with these terms sub-

jected as well to "cost benefit analysis." The issue of aid to student athletes, argued year after year in NCAA, can probably be postponed no longer: should individual need be made the essential criterion for athletic aid?

In this context Bowling Green's stance toward its athletic program is revealing. We are dedicated to the continuation of a well-rounded sports program which concentrates on educational values and consequently includes many so-called "non-revenue" sports. As a university, we are dedicated to excellence in all areas — whether it's football, forensics, or French — and we have every intent to display a full sense of accountability to the University community, to our alumni and to the citizens of this state for all aspects of our educational program, including intercollegiate athletics.

In the meantime, it is our expectation that the season of '72 will see the finest Falcon football team in the history of the University. To be sure, no football team has faced the challenge this one has; we expect the response to be similarly noteworthy.

There's a new feeling at Holiday Inn of Bowling Green.

Lovely Cindy Smith, your dining hostess at Holiday Inn of Bowling Green.

(And our change in management is only part of it.)

We've re-written the pop tune, "I saw you last night and got that old feeling." Our version goes, "See us sometime soon and get that new feeling."

Because "that new feeling" abounds these days at Holiday Inn of Bowling Green.

It's due partly to a change in ownership and management. We're committed to your complete satisfaction — whether you dine with us, or visit our lounge, or whatever.

"That new feeling" comes from decorating changes we've begun. Changes to renew our sparkle and sophistication;

changes to make us the nicest place around.

And the something-new that people sense is traceable also to some little changes already finished. Like our dinner for dinner. (We lower the lights to create a special mood.) Like fresh flowers on the tables. Like lovely piano music, nightly.

These little changes combine with what some visitors classify as big: Our own, homemade bread and pastry.

Before long, why not visit us and get "that new feeling." You'll find "that old feeling" is gone forever.

BGSU ATHLETICS = PARTICIPATION + PROFICIENCY

In striving to achieve its education goal of providing total student participation within a framework of excellence at various levels of competition and proficiency, Bowling Green State University's athletic program reached a new high in performance during the 1971-72 academic year.

At the intercollegiate level, Bowling Green established itself as the reigning all-sports champion of the Mid-American Conference by winning the coveted Reese Cup for the first time since 1959. Nine of the 12 varsity teams recorded .500 or better seasons with the baseball, golf and track teams capturing conference championships.

The athletic program continued to generate enthusiasm for "club" teams which round out the intercollegiate program with athletic contests in the sports of rugby, water polo, sailing, gymnastics, cricket, fencing and volleyball.

The program also completed another successful intramural sports program for men and women under director Maurice Sandy. During the 1971-72 year, the co-ed and men's intramural activities provided recreation and competition for 1,172 teams and 8,437 participants.

BG's athletic program also proudly embraces one of the nation's finest departments of health and physical education at both the undergraduate and graduate levels.

Between 75 and 100 other athletic events sponsored by community and state-wide organizations were also incorporated into the total program last year as BG's ultramodern facilities were used for such events as district and regional high school tournaments in basketball, baseball, track and tennis and the state tournament in basketball, swimming and track for the Ohio Athletic Association for the Mentally Retarded.

With the total program using participation as its center of attraction, the Falcon intercollegiate teams have brought much recognition to the University through their excellence in athletic competition. A brief look at the recent history and current status of BG's 12 varsity sports illustrates this point.

Football — Bowling Green is well known for its traditional football excellence. During the 1958-68 decade, the Falcons boasted a winning percentage of .793, ranking second

THE FORWARD LOOK: With their goal set at keeping the Reese Cup (Mid-American Conference All-Sports Trophy) in the Bowling Green State University trophy case for another year, the Falcon athletic department administrative staff is looking forward to the 1972-73 campaign. Surrounding the cup are (l-r) Jim Krone, director of tickets and promotion; Don Cunningham, assistant athletic director and business manager; Jim Ruehl, administrative assistant and director of the ice arena; Dick Young, athletic director; Bob Dudley, administrative assistant and director of the golf course; Ken Schoeni, administrative assistant of field and facilities; Tom Kisselle, assistant to the athletic director and coordinator of fields and facilities, and Bob Moyers, sports information director.

among 113 major college teams in the country. The Falcons have won six Mid-American Conference championships since joining the league in 1952, and only twice have finished lower than third. Bowling Green won the NCAA College Division championship in 1959 on the merits of a perfect 9-0 season. (The Falcons received NCAA University Division status in 1961.) Head coach Don Nehlen and his staff have the current football program well in hand with two second places in the MAC in the last three years.

Basketball — For many years the Falcons have produced some of the finest and most widely recognized basketball teams in the country. Post-season major college tournaments have especially significant in gaining deserved national recognition. Bowling Green cagers have appeared six times in the NIT tourney in New York, and four times in the NCAA tournament. The Falcons have produced nine basketball All-Americans, and won four MAC titles. Coach Pat Haley currently handles a Falcon cage pro-

gram rich in tradition and winning success.

Hockey — Ice hockey became Bowling Green's newest varsity sport in 1969, and has rapidly captured the fancy of Falcon fans. The University's spanking new ice arena is one of the best of its kind in the country, and coach Jack Vivian's icers are making it a "winning" arena already, competing with the nation's finest teams.

Cross Country — Bowling Green, Oregon and Villanova are the only three cross country teams who have placed among the top 10 teams in the NCAA championships in each of the last three years. Coach Mel Brodt has guided the Falcons to finishes of ninth, eighth and seventh in the last three seasons. The harriers also won the 1969 MAC championship and have produced three of the last four individual champions, including Dave Wottle who captured the 1971 crown.

Soccer — Added to the Falcons' varsity itinerary in 1965, soccer is now

For the third straight week, North Carolina heads up the "middle-of-the-road" football poll of major-college football teams deserving of national recognition.

The weekly poll which is compiled as a service of the Bowling Green State University sports information office is designed to recognize the 100 college football teams who might eventually make up the "middle" football division if the NCAA follows through with its plan to further sub-divide its structure.

The Tarheels head up the "mini-major" poll with a 6-1 record with the only loss coming at the hands of Ohio State.

San Diego State (7-1) moved up to second place after Louisville (6-1) dropped from second to fourth by virtue of its upset loss to Tulsa. North Carolina State (6-2-1) also passed up the Cards by moving into the third spot.

The rest of the top ten is very close and the rankings could change considerably after this week's games.

Surprising Tampa (6-2) is fifth with Arizona State (6-2) sixth and East Carolina (7-1) seventh. Rounding out the top ten are Air Force (6-2), Tennessee Tech (8-1) and Pacific (7-2). Bowling Green (5-2-1) and Miami of Ohio (6-2) are the two teams who received honorable mention.

hot line to football

By Bob Moyers,
Bowling Green Sports Information Director

Yes, Virginia, there is a Tangerine Bowl.

What is a Tangerine Bowl? A Tangerine Bowl is many things to many people.

To the football players at Bowling Green and Kent State, the T-Bowl is now a dream which could become a reality at about 4:30 today . . . To Bowling Green students, it could be a new way to spend Christmas and New Years . . . To Falcon football fans, the Tangerine Bowl on Dec. 29 could mean a sun tan, a trip to Disney World, the end of a rainbow . . . To BG's 18-station radio network, the night game in Orlando could mean the largest listening audience for a Falcon sporting event . . .

To the Mid-American Conference, it might be another way to lose money . . . To BG's athletic administration, it might be another way to lose money . . . To the people of Florida, the Tangerine Bowl in 1972 means a new look complete from the best opponent available for the MAC champion to the halftime show put on by Disney World . . . To the news media covering the Falcons, it could mean mixing business with pleasure . . . To the BG coaching staff, it could mean a late start on recruiting but a chance to use the Bowl Game as

added enticement to future Falcons . . . To about half of the Falcon football players, it could mean finding a way to Florida . . . To the other half of the team, the bowl could mean another month of hard work before a week in the sun.

Finally, the Tangerine Bowl will mean disappointment to either the young men of Kent State or Bowling Green. There just isn't a second prize given for finishing second in the MAC.

Yes, Virginia, there is a Tangerine Bowl.

ZELONIS: A CRACKERJACK PRIZE

When one hears the name of Gary Zelonis mentioned, it's like searching through a box of crackerjacks looking for the surprise.

If it weren't for the "Z" in his last name, the Falcons' senior defensive tackle would sink into the depths of oblivion because no one realizes that he exists on the football field.

Many times when his name is hollered over the PA system for making a tackle, he leaves the fans shuffling for programs to acquire more knowledge about his athletic ability.

Now in his second year as a starter the former Parma (Senior) product continues to play solid football in his own quiet manner. He's not one of the glamour players that you read

**right on
falcons**

By KENNY WHITE

about everyday because he mans one of the spots where football is really played.

"The Pit," as it is commonly referred, is where all of the thunder and lightning takes place. It's the den where the players who man these spots don't give out anything but forearms and headaches.

You would expect a tackle to resemble a huge wild charging elephant that lets nothing stop its progress. Instead the 6-2, 220-pound Zelonis bottles up all of his fury and stalks his opponent as though he were a preying tiger.

One wouldn't believe the shifty deception that Zelonis masquerades in his powerful anatomy. He's very slick and he has learned a lot of tricks that make him a cagey veteran from his tackle spot.

Fundamentally, Zelonis has to be one of the top players on the team. He doesn't do anything fancy on the field because he tries to execute all of his assignments with complete precision.

"It takes a lot of pride to play tackle because you are the cog of the defense," Zelonis said. "You look for any glory that you get but you have to be in there fighting all the time without having your mind set on making headlines."

Even though Zelonis inherited his position two years ago he has become one of the best tackles in the league. Consistency is his trademark and it's one tool you need to be a winner.

Although he is a very underrated player, Zelonis made Honorable Mention All-MAC last year for his steady performances. He was credited with 77 tackles and he dumped the passer seven times from his post.

Defensive tackle coach Mario Rus-

so bubbles with joy anytime that Zelonis' name is brought up in a conversation. "He's not a flashy player, he is a really solid performer whom you can count on getting the job done for you," Russo explained.

Coach Russo, who is in his first year coaching Falcon players, said that he became more impressed with Zelonis because he's doing a better job now than the first time he viewed him on film.

"He's one of the finer tackles in the league and he has lived up to all the things that have been expected of him," Russo said.

One extra quality that Zelonis exerts around the Falcons' camp is his leadership. He is a very hard worker who will give you his last ounce of energy.

Zelonis does a great job when it comes to giving some helpful pointers to a lot of younger players. "Every game you play, win, lose or draw is a team effort."

"The senior leadership such as Gary displays is very good and it has helped in the rise of the defense," Russo said. "You can always count on a able veteran of past gridiron wars to take up the slack for a player who is having trouble and that's the foundation for a good defensive unit."

Very seldom will a injury keep the rugged Zelonis out of the line-up. He's a tough competitor who keeps clawing and scratching until the last gun has been fired.

In order to be remembered as a defensive tackle, one must recover a fumble, knock down a pass, tackle the passer or ably apply a magnificent goal line stand.

The glory that goes with being a defensive tackle comes about once every full moon. But consistency is the name of the game for Zelonis and being a darn good player one day will be his claim to fame.

BG WOMEN ATHLETES HAVE WINNING EDGE

Everyone has heard about sports at Bowling Green. Probably, though, the sports results everyone knows about are from men's teams; not too many people know how well Bowling Green coeds are performing in athletic competition.

Actually, Bowling Green has one of the largest women's sports programs around and it is all student-run on a volunteer basis, under the leadership of the Women's Recreation Association (WRA). In the women's program, no scholarships or fee waivers are granted to outstanding women athletes. Women take part in team sports merely for their own enjoyment.

The Physical Education and Recreation Department strives first for the education of its majors — sports competition is only a sideline.

As Sue Hager, head of intramural programs explains it, "Our purpose is to provide physical activity at as

By Charlene McComas

many levels as possible. Our intramural program is an outgrowth of our physical education program. We then give advanced opportunities to the highly skilled in the form of inter-college sports clubs." She adds that the women's sports program is a low-key program with an emphasis on activity, enjoyment, and participation.

Ms. Hager says about participants of the women's sports teams: "First, we represent Bowling Green State University; second, we are ladies; and third, we strive to win."

The emphasis, then, is not just on winning, but it certainly hasn't stopped Bowling Green coeds from doing just that.

To mention a few, the women's tennis team tied for first place in the state tournament two years ago and last year was second in the state. The Bowling Green speed swimming team won the state and regional championships last year and competed in the national event. The gymnastics team had a member who competed

in the national contest last year; the basketball team was third in the state, being chosen as a "team at large" to compete in the Midwest Regional Tournament. The golf team won the Ohio Invitational meet. One woman from the field hockey team was selected for the Great Lakes Regional team. Track and field members gave their team a second berth in the Ohio Invitational meet last year.

So, even though the emphasis on women's teams is not on winning, the women manage to come home victorious more often than not.

The intramural program under the Women's Recreation Association is amazingly large at Bowling Green. Over 4200 women participated in 35 activities during the 1971-72 school year.

Being a physical education and recreation major is not a prerequisite for women to participate in intramural sports. Any Bowling Green coed who wishes to participate in any of the various activities which WRA sponsors is more than welcome to compete.

Any girl can try her skill at basketball, fencing, field hockey, flag football, golf, gymnastics, lacrosse, swimming, softball, tennis, and volleyball. There are also special clubs such as the Performing Arts Dancers and the Swan Club (synchronized swimming) which present several shows each year.

An open gym is sponsored fall and winter quarters during weekends.

Anyone can come to the women's gym during these times to use the facilities.

Both intramural and sports club activities are controlled by the WRA. Ms. Hager states, "We are trying to restructure our intramural setting. This year for the first time we are paying our student officials."

The WRA's executive board which is elected by the students each spring, is responsible for the set-up and supervision of all these activities. Each of the officers is responsible for a particular league of each sport. For example, in volleyball, the officers schedule themselves to supervise in the gym, check officials, and perform other duties for an hour or more several evenings each week.

According to Ms. Hager, "we are hoping to get a sport leader for each activity. We had one for flag football this year and it proved very successful."

It is obvious that even though the Physical Education and Recreation Department considers the women's intramural and sports club programs low-key, taking second place to academia, it's a winning combination. With the sports records compiled by a student-run organization working on a rather limited budget, credit must be due to both the unsinkable spirit of the young women team members and the expertise of the coaches who were hired first as educators and coach only an extra activity.

TWIRLERS THREE

Four years ago a petite freshman joined the Falcon Band as featured twirler and has amazed fans with every performance. A true magician with the baton, Linda Ohms came to Bowling Green from Glen Carbon, Ill., and set a precedent in twirling ability and agility.

Eight time Illinois State Champion, and winner of second place in national competition, Linda began twirling when she was five. She was not a majorette in her high school band, but tried out for Featured Twirler when she heard about the opening at BG.

game approaches? "I don't even want to think about it. It sort of makes me feel old." Linda plans to teach English following graduation.

Also adding sparkle to the Falcon Band are twirlers Bonny Ameling and Debbie Wilson, both seniors completing their fourth year with the band.

Bonny is an elementary education major from Woodville. She began twirling when she was four and followed her two older sisters through the ranks of high school majorette and BGSU twirler.

The third Ameling girl to march at the front of the BG Band, Bonny says that everything about the band has been exciting. "I will miss it a lot," she says.

Debbie Wilson picked up the handle of a broken wagon when she was very small. She began twirling it and later moved on to the baton.

Debbie, a math education major at BG, was a majorette in the Mansfield High School band for five years before coming to Bowling Green. Debbie believes that the exciting part of being in the band is being able to perform each week and knowing the people in the band.

Echoing the remarks of her co-twirlers, Debbie said, "I'm going to be so sad. I'm going to miss the band."

band notes

By Rick Brechmacher

Reflecting on the past four years, Linda says that there were many exciting moments, but the TV game at Miami University was especially exciting because of the exposure it gave the band.

What is she thinking as the final

SENIOR SALUTE

Four years of back to campus early; four years of hot Septembers, wet Octobers, and cold Novembers; four years of getting out of bed at 8:00 on Saturday mornings and putting in a full days work while friends relax before the game; four years of screaming B-G-S-U Grrrrreat as you march from the Ice Arena to the Stadium; four years of triumphant Forward Falcons after great victories, and four years of holding back tears as you force out the visitor's fight song after disappointing defeats.

Four years of the Falcon Marching Band and then it is all over. Almost as suddenly as it began four years ago when you stepped on the field for the first show, the drum taps bring you off the field for the final time. And the Seniors think, "Farewell Doyt Perry Field. It has been a pleasure performing on your stage. You will never know the thrill I had each time I marched down your chalk-lined turf."

Today, farewells are said again as Falcon Bandsmen perform their final halftime show before the home crowds they have delighted for four fantastic years. Making their final appearance in BG as Falcon Bandsmen are: Bonny Ameling, Woodville; Jerry Birk, Wickliffe; Jerry Bruns, Bowling Green; Wendy Burkett, Fremont; Donald Buzzee, Fremont; Norman Carpenter, Rudolf; Ted Clawson, Wellington; David Cooley, Heath; Tom Dessoiffy, Avon; Barry Fites, Alliance; Suzanne Garrett, Dresden; Bill Gerling, Brooklyn; Dale Heinz, Cleveland; Patricia Hill, Galion; Wendy Hinkle, Cincinnati; Tim Hoffman, Bowling Green; Kim Ingling, South Charleston; Lon McCue, Tiffin; David McClellan, Maumee; Doug Norwine, Oak Harbor; Mike O'Brien, Oregon; Linda Ohms, Glen Carbon, Illinois; Larry Sawchak, Parma; David Schatt, Fremont; Mike Shively, Leipsic; Donna Simpson, Parma; Chris Vandersluis, Fremont; Lyle Whybrew, Fairborn; Debbie Wilson, Mansfield; Mike Wooten, West Liberty; Donna Yeray, Euclid.

Laguna Colonnade Hardtop Coupe

**The new 1973 Chevelle Laguna.** Good news, Chevelle fans. Now you can move up to more car without leaving the make you love most. You can move up to the new 1973 Laguna.

Laguna is a new kind of Chevelle, the top of the line. It has a special front, a special rear and a special interior.

The distinctive front is made mostly of a material called urethane that resists dents and dings. Styled right into the front end is the new improved front bumper system that retracts on minor impact and helps cushion the shock.

Inside there are rich-looking fabrics, wood-grain vinyl accents, a soft-rim color-coordinated steering wheel, map pockets and other luxurious appointments.

Laguna, like other '73 Chevells, has the new Colonnade hardtop roof design, power flow-through ventilation, front disc brakes, and more rear seat leg room than ever before.

The 1973 Laguna. A new and better way to see the NCAA.

**Chevrolet. Building a better way to see the U.S.A.**

Enjoy the game. And remember to buckle up on the way home.

## McVAY PRODUCES WINNERS

By Gene Schill

In 1965 when John McVay was starting his first season as Dayton Head Coach, the local grandstand quarterbacks viewed the campaign with mixed emotions. They had gone through eight consecutive losing seasons and hopes were not particularly high that an end to the famine was in sight. Most felt even a new coach couldn't reverse the trend for at least three or four years.

The Flyers went 1-8-1 that first season, but the McVay bandwagon gained support. That was due mainly to the sound and exciting brand of football that McVay had displayed. In 1966 the Flyers jolted the Ohio College gridiron scene by posting an 8-2 record and the long line of losing seasons was ended. McVay had not only broken the string, he had demolished it. In 1967 the Red & Blue came back with a 6-3-1 mark and showed that good, solid winning football had returned to the hilltop to stay. In 1968 the Flyers, playing a rugged and exciting schedule, racked up a 5-5 record.

John E. McVay had accomplished the almost impossible task — he had taken a loser and changed it into a winner in two short years.

In 1969 the Flyers faltered and wound up the season with a 3-7 record, but they won three of their last five games, including a 27-20 win over eastern power, Villanova.

They rebounded back to the winning column in 1970 with a 5-4-1 slate built mainly around the school's all-time great tailback Gary Kosins.

In 1971, again with Kosins leading the way, the Red & Blue won four of their last six games to wind up 5-6. Victories over Cincinnati and Bowling Green highlighted the season.

Once you get acquainted with McVay it is easy to understand the success. He's a dedicated individual with the ability to pass this dedication on to his assistants and players. His complete knowledge of the game of football and organizational talents make him an invaluable member of the UD athletic program.

Now in his 20th year of coaching, McVay's overall record is far and away a winning one. This is a carry over from his playing days in both high school and college.

McVay started his playing career at Massillon, Ohio, High School under the tutorship of the highly successful Chuck Mather, who has since coached at the University of Kansas and with the NFL's Chicago Bears. He moved on to Miami and played varsity ball, 1950 through 1952 under Woody Hayes and Ara Parseghian. The Redskins' record in those three campaigns was 24-5 and they won the 1950 Mid-American Conference title.

He was named to All-Ohio, All-Midwest and All-Mid-American selections and voted the most efficient offensive lineman by the coaching staff for two seasons. He was elected captain of the 1952 team as a senior.

Following his 1953 graduation from Miami, John moved to Lancaster, Ohio, High and assisted in football, basketball and track until 1955. He spent a year at Franklin High and moved to Canton Central Catholic for a five-year tenure. McVay was 41-7-2 during his 1957-61 stint at Canton.

Duffy Daughtery called John to Michigan State for the 1962 campaign. He coached the Spartan backs for three years. He picked up his master's degree at Kent State University in 1963.

firmly established as another Bowling Green "winner". The 1969 squad posted a 7-3 overall record, and coach Mickey Cochrane was named Ohio Soccer Coach of the Year.

**Swimming** — Swimming has enjoyed a long and successful reign at Bowling Green (the Falcons won five straight MAC crowns from 1956-1960) and the natatorium still rings with past record-breaking performances. Coach Tom Stubbs now looks forward to establishing new records in a new facility — one which should make a fine swimming program even better.

**Wrestling** — Bowling Green has a long-formed winning habit on the mats, compiling a string of 18 consecutive winning seasons beginning in 1954. During that span, the team won three MAC titles and produced 15 individual champions. Veteran coach Bruce Bellard is reason enough to expect continued wrestling success.

**Track and Field** — American steeplechase record-holder Sid Sink and World 800-meter record-holder Dave Wottle have put Bowling Green track on the national and international map in the last four years. The top athletes each won individual NCAA champions in 1972 to give BG second place at the indoor track championships. Wottle also won the 880 and mile to help the Falcons to their first-ever MAC outdoor track championship in 1972. By tying the world record for the 800 meters at the Olympic Trials, Wottle became the first BG athlete to win a spot on the United States Olympic Team. The excellent track program is built around Robert H. Whittaker Track, a nine-lane, Tartan oval complete with permanent seats, enclosed press box and special facilities for field events.

**Baseball** — The Bowling Green baseball program has taken great strides over the past decade to rank as a leader in the baseball-strong Midwest. Under new coach Don Purvis, the 1972 team won the MAC

championships, finished second in the NCAA District tournament and ranked 13th in the nation.

**Lacrosse** — Another 1965 addition to the Falcon varsity program, Bowling Green lacrosse has gained prominence in the midwest and nationwide. Coach Mickey Cochrane is duly proud of his teams' 37-8 overall record in the past three years, along with seven All-Americans, perfect 9-0 season and number six national ranking in 1970.

**Tennis** — Falcon home tennis matches are now played on 16 new Grasstex and Laykold courts — facilities which do justice to the caliber of Falcon play. Youthful coach Bob Gill heads up the net program and is hungry for his first MAC championship.

**Golf** — Bowling Green recorded another MAC "first" by completing its own full-length, championship golf course on campus soil. Coach John Piper is proud to take on Falcon Foes on the beautiful and treacherous 3,577 yard nine-hole layout after winning the MAC championship in 1972.

## BASKETBALL

### YEAR ONE (1971-72): REGROUP

1971-72 Record: Won 4, Lost 20

1971-72 Freshmen: Won 10, Lost 4

### YEAR TWO (1972-73): REBUILD

Although there were no seniors on last year's Bowling Green basketball team, the Falcons could start as many as four sophomores next season as Coach Pat Haley steps up his plans to rebuild BG into a threat for Mid-American Conference and national honors.

Although Haley's four-year timetable doesn't include a league championship overnight, the Falcons should be a vastly improved basketball team in 1972-73. While BG's 4-20 record was nothing to shout about, Haley seemed to establish an instant rapport with players, fans and media as he regrouped and restructured the Falcon basketball program along the modern lines needed to put the program back into the national limelight.

Senior Le Henson (6-6, f, 9.5) and juniors Brian Scanlan (6-7, f, 13.9) Bob Hotaling (6-5, f, 6.8) and Jack Wissman (6-4, g, 4.1) were all starters during the last three weeks of the season and will be returning to give Haley an experienced nucleus to work with.

However, only Scanlan, who led the Falcons in all statistical departments last season while winning MVP honors, appears ready to hold off the challenge coming from a group of outstanding sophomores up from last year's crack freshman outfit.

Five big reasons for optimism in the BG cage scene are 6-10 Bill Howard, who averaged 16.8 points and 16.0 rebounds a game; 6-8 Cornelius Cash who had 17.5 and 14.2 averages; 6-0 Jeff Montgomery, who led the frosh with a 21.5 scoring average while running the offense in the backcourt; 5-11 sharpshooter Dick Selgo (13.6) and 6-4 defensive specialist Ron Weber (12.7).

### YEAR THREE (1973-74) REGAIN

The "Maryland of the Midwest" should be in full swing when seven-foot center Mark Cartwright makes his Bowling Green debut since transferring from Maryland in the spring of 1972.

Maturity and experience will also be present in another group of outstanding freshmen who will taste varsity action for the first time in 1972-73.

The result could be BG's first MAC championship since 1968 and the start of a basketball renaissance reflecting the Nate Thurmond-Howard Komives championship teams of the early 1960's on which Haley was a starting guard.

### YEAR FOUR (1974-75): RESPECT

Goal No. 1: The MAC Championship

Goal No. 2: Recognition in the Top 10

Goal No. 3: The NCAA Championship

## HOCKEY

With both the nation's leading scorer and the top-scoring defenseman in the country on hand for openers, Bowling Green State University's hockey team has high hopes for playing winner take all in its fourth year of a four year plan directed at making the Falcons a recognized hockey power.

Although head coach Jack Vivian has lined up the toughest schedule in the sport's history, the Falcons will definitely have some firepower on their side at the start with the top seven scorers returning from last year's 21-10-2 team which produced the best record in the three-year varsity history of the sport.

For the first time, Bowling Green will have the benefit of a recruited senior class which will be playing their fourth year of intercollegiate hockey. With the likes of seniors Chuck Gyles, Gord McCosh, Pete Badour and Terry Miskolczi on hand, Vivian expects the pressure to be lessened when his talented freshmen and sophomore recruits are concerned.

As usual, Vivian has come up with another excellent crop of freshmen recruits headed by a pair of blue-chip centers in All-American Bob Dobek from the Detroit Junior Wings and John Stewart, a two-time all-league selection from the Ontario "B" champion Markham Waxers.

The two talented "rookies" should enable Vivian to repeat last year's successful move of putting Gerry Bradbury back at left wing on a line with McCosh and Badour. Before a lack of scoring depth forced Bradbury to return to center in the middle of last season, the "maxi" line netted 16 goals in a six-game span.

The Falcons also return the fast-skating "mini" line of 5-9 Mike Bartley, 5-5 Ron Wise and 5-10 Bob Watson. As a sophomore, Bartley rammed in 37 goals and 31 assists for 68 points and the top scoring output in the nation. The "line" produced 63 goals in 33 games.

Vivian feels one key to the season will be the improvement produced by three sophomore defensemen who showed considerable promise in their rookie seasons last year. Roger Archer, who made the all-tournament team in CCHA action, Al Leitch and Brian Celentano could be the key to turning a good team into a great one.

The BG defense will be anchored by Gyles who led the nation's defensemen in scoring last year with 17 goals and 41 assists.

The Falcons will also need a big year from McCosh who has been sidelined with injuries midway through each of the last two seasons. The Ajax, Ont., icer still found time last year to finish fifth in scoring with 18 goals and 21 assists in 24 games.

## 1971-72 ATHLETIC REVIEW

### COMEBACKS SPARK CHAMPIONSHIPS

The ability to make a comeback is regarded as a mark of a champion in athletics.

Certainly all of the 356 athletes who were members of Bowling Green's 12 intercollegiate varsity teams could claim to be "champions" in their own right after the Falcons surprised even themselves by capturing the Reese Cup emblematic of all-sports supremacy in the Mid-American Conference during the 1971-72 academic year.

Only a year ago, Bowling Green had floundered to the bottom of the Reese Cup standings by taking too many fifths. In the nine sports which count in the all-sports standings, the Falcons took six fifths on the way to registering 19.5 points which was 5.5 points behind fifth-place Kent State and 25 below champion Ohio University.

**But this year was a different story as the Falcons became the first MAC school in history to move from last place to first in one year in the Reese Cup standings. The amazing comeback was capped on Saturday, May 20, which must rank at the top of the all-time great days in Falcon athletic history as the golf, track and baseball teams captured league championships to vault BG from fifth place to first in the all-sport race.**

With each of Bowling Green's athletic teams registering their own "comebacks" by maintaining or improving upon their won-lost records and achievements during the year, the real "comeback stories" were supplied by the athletes themselves who displayed the courage and desire to overcome adversity on the way to becoming champions.

These are their stories in brief:

**John Czerwinski** is a 6-5, 240-pound offensive tackle in football blessed with many of the tools needed to be a professional player. Disappointment and frustration walked hand in hand with him in 1970 when he saw only limited action as the Falcons won only two games and placed fifth in the MAC standings.

With low grades and the responsibilities of married life bearing down upon him, it was easy to see why he considered giving up football before the 1971 season started.

However, Coach Don Nehlen hired Rey Dempsey to take over as offensive line coach in the spring of 1971 and Czerwinski seemed to grasp a new lease on life and football. In fact

he credits Dempsey with being a big influence on his life because "he teaches us to be winners."

Fall practice gave John the starting job he wanted and he helped the Falcons to second place in the league standings. The MAC coaches recognized his improved play by naming him to the all-MAC first team as offensive tackle.

**Chris Doyle** runs cross country. See Chris Doyle run. Run Chris run. Run, run, run. Run as a sophomore in 1970. Run fast enough to beat every runner from Buffalo State and Marshall and still not score in meet to win a letter.

See Chris continue to compete in 1971. See Chris fail to score a team point for first 11 meets. See Chris run best-ever 31:52 for six miles and score points for BG in conference meet. See Chris finish 18th as fifth BG man to help team to second place in championships. See Chris win letter. See Chris named most improved.

**Jack Wissman** was born to shoot a basketball. Many hours of hard work and practice started to pay dividends last year when the 6-4 sophomore guard reached the verge of cracking the starting lineup in late December.

Then came New Year's Eve and a tragic apartment fire and a pan of hot grease which spilled on his shooting hand and legs. Doctors ruled Wissman out for the season and questioned whether he might ever shoot again in a college game.

They obviously didn't know Wissman. It took a month for the bandages to come off. Then, instead of passing up the season, Wissman resumed practice and learned to shoot with his left hand.

Although virtually limited to layups and short shots, the courageous young man capped his comeback by starting against Chicago Loyola on February 26. Although the game had to be stopped several times to wipe the blood off the basketball from his bleeding hand, Wissman scored eight points and quarterbacked BG's double-stack offense to a 77-74 road victory over Loyola. It was one of four games the Falcons would win during the season.

**Jim Williams** is called "Fog" by his swimming teammates because he used to walk around in one with mathematical formulas and chess moves occupying his attention.

This year found Williams voted to

## COMEBACKS... (Con't From Page 50)

the position of co-captain and the Falcons tankers slowly began to climb back to the top of the pool. With Williams and co-captain Tom Wolff setting the examples, the Falcons turned the tables enough to pick up 50 points and finished fourth in the MAC championships.

Williams even went so far in this age of long hair to shave himself bald for the MAC meet along with other teammates. The result was a third-place finish in the 100-yard breast-stroke and a school record of 1:03.1.

**Al Womack** was looking for something more than wrestling a year ago. Although he finished fourth in the MAC during the 1970-71 season, the 126-pound wrestler seemed to be in his own little world at times as he searched for answers to many of life's questions.

He even went as far as the drug scene before starting to find the answer. The answer came from the **Bible** and it changed his life around.

"I found that reading the **Bible** builds discipline and character along with having the opportunity to compete in wrestling," says Womack.

Womack tied for second in team scoring with 28 points as the Falcons placed fifth in the MAC championships and completed their 18th consecutive nonlosing season.

**Steve Blowers** believes in democracy. Thanks to the democratic methods used by Bowling Green golf coach John Piper and his linksman, the unheralded sophomore received a "second season" this spring.

With the MAC golf championships only a week away, Blowers was listed as BG's seventh-best golfer with a 79.0 average. His season was finished since the conference championships require only six men on a team. However at a team meeting to decide BG's representatives in the tournament, the Falcons decided on five players and set up a 36-hole playoff for the sixth spot.

Blowers used his lease on life to win the playoff. The rest is history as he fired rounds of 80-78-74 for a score of 232 to win the individual championship and pace Bowling Green to its first league title since 1956.

**Brad Malcolm** decided to try out for the tennis team at Bowling Green since he felt he could find time to adapt it into his busy academic schedule of preparing for medical school.

As a junior in 1971, Malcolm found a spot at fifth singles and came up

with a letter and a mediocre 5-12 record.

But good athletes have a habit of doing great things in pressure situations. Malcolm did just that as he defeated both seeded netters on his way to the MAC championships at fifth singles. His final three-set victory came over Miami's Dan Warner who had defeated him easily during the regular season.

**Jim Meerpohl**, like many talented baseball pitchers, was his own worst enemy during his first three years of frustration with the Bowling Green baseball team.

Wildness has cost many pitchers a game and it cost Meerpohl during his sophomore and junior years as he walked 47 batters in 51 innings while compiling an unimpressive 6.28 earned run average.

However, his fast ball did pave the way for a 5-2 record during those two seasons.

When Don Purvis took over the coaching duties this spring, he tabbed Meerpohl as the key man in any success the Falcons would have. Meerpohl proved Purvis a prophet as well as a coach as he set a Bowling Green record of seven wins in a season and helped pitch the Falcons to their first-ever MAC baseball championships.

**Dave Wottle** easily qualifies for Bowling Green's "comeback of the year" award and also must rank high in the athletic world for his courageous quest for victory and respect in the sport of track which won him the gold metal in the 800-meter run at the 1972 Olympic games.

Just before the 1970 MAC cross country championships, Wottle suffered a leg injury during a workout. Although he tried to run in the meet, he had to drop out after the first mile.

For the next nine months, Wottle was unable to compete because of a stress fracture to both legs.

The 1971 cross country season produced 11 straight first-place finishes and the MAC individual title along with a 12th place at the NCAA meet while the team finished seventh.

On the indoor track boards, Wottle won the NCAA 880 championship and anchored the distance medley team to first place as the Falcons finished second in the team competition.

Wottle kept up his pace this spring as he won both the 880 and mile run at the MAC championships to give Bowling Green its first track championship in history.

The rest is history.
